## PACIFIC NORTHWEST NATIONAL LABORATORY SOFTWARE USER ACKNOWLEDGEMENT

Pacific Northwest National Laboratory (PNNL) will transmit a copy of the computer software identified on Schedule A, together with associated documentation (all known as "Software"), provided the organization or individual (User) signing Schedule A acknowledges the following conditions:

1. The Software resulted from work conducted under a U.S. Government contract, and permission to establish claim to copyright by Battelle Memorial Institute (the operating contractor of PNNL) has been granted by the U.S. Government. The U.S. Government has retained "Limited Rights" in the Software. All non-U.S. Government rights are reserved and administered by Battelle Memorial Institute.
2. In accordance with DEAR 970.5204-83, the following notice applies to the Software provided herein:

*These data contain "limited rights data" furnished under Contract No. DE-AC06-76RL0 1830 with the United States Department of Energy which may be duplicated and used by the Government with the express limitations that the "limited rights data" may not be disclosed outside the Government or be used for purposes of manufacture without prior permission of the Contractor.*

*Provisions of this paragraph shall be marked on any reproduction of the Software, in whole or in part.*

3. In order to facilitate the maximum usefulness to the public, the User is requested to:
  - Notify PNNL of any publication of new findings that may be discovered through the use of the Software.
  - Communicate any errors it discovers in the Software to the code developers at PNNL.

- Make available to PNNL any nonproprietary improvements or modifications to the Software code.

It should be noted that modifications of the Software that are not later incorporated by PNNL into the standard version of the Software will not be supported by PNNL, but may be supported by others.

4. **User recognizes that the Software code is provided by PNNL on an as-is basis without support. Neither the U.S. Government nor the U.S. Department of Energy, nor any of their employees, nor Battelle Memorial Institute, nor any of its affiliates or subsidiaries, makes any warranty, express or implied, or assumes any legal liability or responsibility for the accuracy, completeness, or usefulness of any information, apparatus, product, or process disclosed, or represents that its use would not infringe privately owned rights.**
5. If Software maintenance, support, or upgrades are made available by PNNL, they will be provided only to those Users who have signed and returned to PNNL Schedule A on the reverse side hereof.
6. User's subcontractors, consultants, visiting scientists, etc., are authorized to use the Software only on projects funded by the Federal Government.
7. User represents and warrants that it shall not export the Software from the United States directly or indirectly without first complying with all requirements of the Export Administration Regulations, including the requirement for obtaining any export license, if applicable.
